

# Oregon Project Visibility

## Person-centered Care for LGBTQ+ Older Adults

# Train-the-Trainer

This virtual training is led by Kera Magarill, Older Adult Behavioral Health Specialist, Washington County

*Must register for both sessions to complete the full training.*

### **Part One: Project Visibility**

May 10, 9am - 12pm PST. [Register here.](#)

### **Part Two: Train-the-Trainer**

June 9, 9am - 11am PST. [Register here.](#)

**What is the Train-the-Trainer session?** After completing the Project Visibility training, learn to facilitate this program for your staff or community. Project Visibility is a great tool for a variety of organizations, including: senior living, health care, community mental health providers, home health, social services, aging services, and any organization interested in providing culturally competent care and service for diverse populations.

**Prerequisites:** Must attend Part One (May 10). Prior facilitation experience is a plus. It is recommended to deliver the training in teams of two - sign up with a partner to co-lead with you!

**What do I get if I attend?** You will receive training to provide the Oregon Project Visibility curriculum (1-3 hour delivery time) and receive an electronic copy of the training materials.
